- Adjudication is based on the overall performance of the competitor(s), including: clarity of speech, interpretation and audience awareness.
- Competitor(s) with less than 80 marks will not be awarded placing.

You had good clear diction and varied the tone of your delivery well, but you did speak a little too quickly - you need to think of your audience trying to keep up and process all you say. You could pause more and this will isolate each of your points, which at this speed all run together.

You did much better in responding to questions as then you had to focus on something you had not perhaps over-prepared.
